

November 21, 2025: On Final Conclusions and Directions to Advance Us Forward

I am concluding that Judaism is an offshoot of the original Procedure of Heaven;

I am concluding that Nazirites corrupted the original intentions of Judaism to create an 'unpruned' branch of people based upon their own 'reasonings';

I am concluding that Astrology is, in fact, a corruption of the same original Procedure of Heaven, as well;

I am concluding that the Nazirites are responsible for persecuting Jesus;

I am concluding that Jesus was attempting to reveal what was not allowed to be stated publicly then or now: 'Judaism created Nazi-ism' as an evil 'unpruned' branch based upon internal evil reasoning;

I am concluding that our government, San Antonio, Bexar County, State of Texas, and the United States of America is so steeped in this false ideology that it is in fact 'conquered' by Nazi-ism for all intents and purposes; and

I am concluding that the best path forward is to continue revealing the true 'Procedure of Heaven' in order to free ourselves from what is essentially a Nazi overthrow of the Christian way of life.

God bless you all.

I will continue to update this page as I complete updates to the correctly interpreted and translated Procedure of Heaven.

Until then, I am recommending that Jesus Christ is the closest example we have seen and recorded as the actual and verifiable truth of how 'the system' of evil actually operates - and what we can do to correct it.

I have experienced this and verified this for my own personal truth.

Please follow the path of Jesus to show this to yourselves and to your families as what has occurred in America and the world.

We should all be following the path of Jesus to reposition the moral values of the world into a better place.

As I write this message, I am continuing to experience a very real and very oppressive intrusion into my home that is maniacally attempting to justify itself as the right path forward in the world.

I am identifying this evil group as the team that is surrounding Donald J. Trump, the team of people that originally invaded into my home, and the team of people that continues to hide me while it steals my research and pastes my work as cover over its own evil body of lies.

Fuck you, Donald Trump: YOU WORSHIP MONEY, POWER, AND YOURSELF. YOU HAVE IDENTIFIED YOURSELF AS THE ACTUAL EMBODIMENT OF SATAN.

This is the God's honest truth as it has been revealed to me.
